**Governance:** Records management, Process Documentation, Reporting Governance  
**Productivity:** Microsoft 365 Suite, SharePoint, Teams, JIRA, Confluence

## Experience

### Data Intelligence & Reporting Specialist - Online and Continuing Education

Apr. 2020 - Mar 2026

LOUISIANA STATE UNIVERSITY

Baton Rouge, LA

- Designed and maintained Tableau dashboards capturing the student life-cycle including applications, enrollments and graduation rates.
- Built Salesforce reports and dashboards for recruitment and retention teams, providing visibility into funnel metrics and case management.
- Rebuilt legacy SQL Server and SSRS student enrollment reports as SAS Stored Processes using HTML/CSS, SAS Macro Language, and PROC SQL, translating complex business logic and parameterized queries into portal-ready analytical reports.
- Executed routine data quality operations using Salesforce Data Loader maintaining 50,000+ student records with high accuracy.
- Responded to routine and ad-hoc institutional research requests from internal stakeholders under tight deadlines.

### Graduate Assistant(Data Analysis) - Academic Affairs

Oct. 2018 - May. 2019

THE UNIVERSITY OF TEXAS AT TYLER

Tyler, TX

- Created effective dashboards using Excel and Tableau capturing student enrollment and graduation rates across academic programs.
- Create a model in Excel that Optimized graduate program financial productivity by 15% using program enrollment, state funding and human resource data to set enrollment targets.
- Conducted strategic planning research in support of university-wide academic initiatives, synthesizing institutional data and peer institution benchmarks to inform senior leadership decision-making.

### Graduate Assistant(Data Analysis) - University Center

Feb. 2018 - Oct. 2018

THE UNIVERSITY OF TEXAS AT TYLER

Tyler, TX

- Pioneered a data-driven operations process, aggregating operations data including event setup requests and event check-in.
- Interpreted and summarized operations data, producing reports showing University Center facilities and room utilization using R and Excel.
- Administered and analyzed customer experience surveys at the end of each academic semester using Qualtrics.
